SPIDER ROCK

A legend is told by some of the older Navajos that the Spider Woman takes the bad Navajo children to the top of the Spider Rock. There you can find the bones of these bad children. It is used as a threat to the children like "the Booger Man will come and get you."

Spider Rock

There stands the Spider Rock
Where the Spider Woman dwells.
She taught her children
How To Spin and Weave well.
She spreads her web without a stop
From cliff bottom to cliff top.
There Spider Woman taught the DINE
How to spin and weave her way.
